Charles Sturt University

Confirming your eligibility
Rural Confirmation Form

Bachelor of Clinical Science (Medicine)/Doctor of Medicine
Rural Entry Admission Scheme (REAS)

Charles Sturt University requires REAS applicants to confirm their eligibility to apply as a rural applicant as part of the UAC application process. The medicine program classifies regions as being rural using the Commonwealth Government's Australian Statistical Geography Standard – Remoteness Area classification (ASGS-RA 2021). Rural locations are classified RA2 to RA5. To check an RA category, you can search using postcodes at **health.gov.au/resources/apps-and-tools/health-workforce-locator**

Applicants must complete and upload a Rural Confirmation Form as part of the UAC application process for the Charles Sturt medicine program. **Registrations close midnight AEST 25 September 2026**.

Rural confirmation

Forms must be completed by a recognised member of the community, confirming the applicant has met all three ASGS-RA criteria of (1) residing in RA2 to RA5 for (2) five consecutive or 10 cumulative years (3) since the age of five.

Suitable persons to provide confirmation of ASGS-RA eligibility are:

1. Any AHPRA licensed health practitioner
(for example)

- Chiropractor
- Dentist
- Legal practitioner
- Medical practitioner
- Nurse
- Optometrist
- Osteopath
- Pharmacist
- Physiotherapist
- Psychologist

2. Any person in the following list of professions.

- Magistrate
- Member of parliament
- Minister of religion
- Police officer
- School principal
- Veterinary surgeon

Note: The applicant, their family members or a member of staff at Charles Sturt University are not eligible to complete the community confirmation, even if they belong to one of the categories listed above.

Charles Sturt University reserves the right to conduct checks on any application documentation submitted in support of entry to a course. An audit will be carried out, and community members will be randomly contacted to verify that the information supplied on this form is correct. An applicant who is found to put misleading information on this form will be dealt with by the appropriate policies of the university.

In providing my personal information to Charles Sturt University, I understand that, other than as authorised by law, the medicine program will only use this information for the purposes for which it is being collected in accordance with the program's functions and activities associated with my enrolment.
